b) Turnkey includes 1 off Gateway for LoRaWAN option and Gateway SIM card if needed. If more are required to provide coverage then these are chargeable

- An Army of Sensors
- Up to 3 current clamps per sensor
- Air quality, Temperature, and Humidity sensor option
- Temperature Probe Addon

Software

- Each sensor comes pre-configured
- Setup connected to your dashboard

Dashboards

- Login Provided
- Sensors Already connected
- Dashboards Categorised

Support

- Installation Aid
- Software / Hardware Issues
- Data Analysis
